Annex 1

The following terms and conditions apply to the Notes issued as Series No. SA2 and Tranche No. 1 of that Series under the Notes/Certificates Programme of Commerzbank Aktiengesellschaft (the "**Programme**").

§ 1 (FORM, TRANSFERABILITY)

- (1) This issue of Commerzbank Aktiengesellschaft, Frankfurt am Main, Federal Republic of Germany (the "**Issuer**") is issued in Swedish Kronor ("**SEK**") (the "**Issue Currency**") represented by notes (the "**Notes**") payable to Notholder and ranking *pari passu* among themselves in the denomination of SEK 10,000 each.
- (2) The Notes will be issued in dematerialised form and will only be evidenced by book entries in the system of the Swedish Central Securities Depository VPC AB, Box 7822, 103 97 Stockholm, ("**VPC**") for registration of securities and settlement of securities transactions (the "**VPC System**") in accordance with the Swedish Financial Instruments Accounts Act (1998:1479). There will be neither global bearer securities nor definitive securities.
- (3) Transfers of the Notes and other registration measures shall be made in accordance with the Swedish Financial Instruments Accounts Act (1998:1479), the regulations, rules and operating procedures applicable to and/or issued by VPC (the "**CSD Rules**")
- (4) Holder of the Notes shall be any person that is registered on a VPC-account as holder of a Note or, where applicable, any other person acknowledged as the holder pursuant to the CSD Rules (the "**Noteholder**"). For nominee registered Notes the authorised nominee shall be considered to be the Noteholder.
- (5) The Issuer reserves the right to issue from time to time without the consent of the Noteholders another tranche of Notes with substantially identical terms, so that the same shall be consolidated to form a single series and increase the aggregate principal amount of the Notes. The term "**Notes**" shall, in the event of such consolidation, also comprise such additionally issued notes.

§ 2 (INTEREST)

The Notes shall not bear any interest.

§ 3 (REPAYMENT)¹

- (1) The Notes will be redeemed at the Final Redemption Amount on 23 January 2012 (the "**Redemption Date**").
- (2) The "**Final Redemption Amount**" shall be determined by the Calculation Agent in accordance with the following formula:

¹ Definitions of terms in capital letters are contained in § 3 paragraph 3.

$$FRA = N \times \left(100\% + PF \times \text{Max} \left(0; \frac{\text{Basket}_{\text{final}}}{\text{Basket}_{\text{initial}}} - 1 \right) \right)$$

where

FRA = Final Redemption Amount per Note

N = SEK 10,000

PF = Performance Factor, to be determined by the Issuer on the Strike Date

Basket_{final} = The arithmetic mean of the Reference Levels of the Basket on the Averaging Dates

Basket_{initial} = Initial Basket Level (SEK 10,000)

- (3) For the purposes of these Terms and Conditions of the Notes, the following definitions shall apply:

"Averaging Date" means the seventh calendar day of each month from and including 7 August 2010 until the Valuation Date.

If on an Averaging Date the closing level of a Basket Index or the NAV of the Shares is not determined and published or if in the opinion of the Issuer there is a Market Disruption Event with respect to a Basket Index on an Averaging Date, then the Averaging Date for the affected Basket Index or the Fund and its Shares, as the case may be, shall be deemed to be the next calendar day on which the closing level of the respective Basket Indices or the NAV of the Shares, as the case may be, is again determined and published and on which there is no Market Disruption Event with respect to such Basket Index. For the avoidance of doubt: the Averaging Date for the Basket Index which was determined and published without the occurrence of a Market Disruption Event or the Averaging Date on which the NAV of the Shares was determined and published shall not be postponed.

If according to the provisions above the Valuation Date for a Basket Index is postponed until the third Banking Day prior to the Redemption Date and if on this day the closing level of such Basket Index is still not determined and published or if, in the opinion of the Issuer, a Market Disruption Event occurs with regard to such Basket Index, then the Issuer will calculate the closing level of the Basket Index on such date by applying the calculation method for the Basket Index last in effect. For the purpose of such calculation, the Issuer will calculate the closing level of the Basket Index on the basis of the prices of the securities comprising the Basket Index on such day at the time the closing level of the Basket Index is usually determined (the "**Calculation Time**"). If the trading of one or more securities being relevant for such calculation is limited or suspended on such date, the Issuer will estimate at its own discretion (§ 315 of the German Civil Code (*BGB*)) the price of the relevant securities at the Calculation Time after consultation with an independent expert and in consideration of the prevailing market conditions.

If according to the provisions above the NAV of the Shares for the Valuation Date is not determined for whatever reason (other than in the case of the Substitution of the Fund according to § 3) until the third Fund Business Day prior to the Redemption Date, then the Issuer will determine, in its sole discretion, the NAV of the Shares which would represent its fair market value.

- the KOSPI 200 Index (Bloomberg Ticker: KOSPI2 Index) (the "**KOSPI2**") as published and compiled by Korea Exchange (a "**Sponsor**").

If a Basket Index is no longer calculated and published by the relevant Sponsor but by another person, company or institution acceptable to the Issuer as the new Sponsor (the "**Successor Sponsor**"), the Reference Level of the Basket will be calculated on the basis of the respective Basket Index being calculated and published by the respective Successor Sponsor and any reference made to the Sponsor shall, if the context so admits, then refer to the relevant Successor Sponsor.

If at any time a Basket Index is cancelled or replaced, the Issuer will determine another index on the basis of which the Reference Level of the Basket shall be calculated (the "**Successor Basket Index**"). The respective Successor Basket Index as well as the time of its first application will be notified as soon as possible pursuant to § 12. Any reference made to the respective Basket Index in these Terms and Conditions of the Notes shall, if the context so admits, then refer to the respective Successor Basket Index.

If in the opinion of the Issuer a determination of a Successor Basket Index is not feasible (for whatever reason), the Issuer or an expert appointed by the Issuer will continue the calculation of the Basket Index on the basis of the former concept of the Basket Index and its last determined level. Such continuation has to be published without delay pursuant to § 12.

If a Sponsor materially modifies the calculation method of a Basket Index with effect on or before the Valuation Date, or materially modifies the Basket Index in any other way (except for modifications which are contemplated in the calculation method of the Basket Index relating to a change with respect to securities comprising the Basket Index or with respect to any other routine measures), the Issuer will calculate the relevant index level on the Averaging Dates, if any, following such modification and the Valuation Date, respectively, by applying such calculation method in effect prior to such modification of the calculation method of the Basket Index. In such case the Issuer will include only securities comprising the Basket Index prior to the modification of the calculation method, unless the quotation of the relevant securities has been terminated in the meantime.
